Minor: Artificial Intelligence. GPA: 3.5.

Expected May 2028

Relevant Coursework: Corporate Finance, Financial Statement Analysis & Valuation, Big Data Analytics, Artificial Intelligence in Business, Statistics, Financial Accounting, Computational Problem Solving

EXPERIENCE

Barback / Busser

September 2026 – Present

Pete's Tavern

Bronxville, NY

- Support revenue-generating operations by replenishing beverages, transporting kegs, and keeping bar supplies available during busy shifts.
- Coordinate with bartenders and service staff to prioritize requests and maintain efficient service workflows.
- Clear and reset tables to support table turnover while maintaining organized, clean service areas.

Food Runner

June 2023 – Present

The Robinsons Ale House

Red Bank, NJ

- Deliver food to tables while supporting waitstaff in maintaining customer satisfaction.
- Assist the kitchen with food preparation and expediting orders to ensure timely and accurate service.
- Train new hires in food runner and busser roles to support smooth operations.
- Awarded Employee of the Month in June 2023, the first month of employment.

Sales Associate

May 2025 – August 2025

Lowe's Company, Inc.

Holmdel, NJ

- Supported customer purchasing decisions by identifying products, answering inquiries, and resolving merchandise-location needs.
- Delivered responsive front-end service and coordinated product assistance to improve customer experience.

ACTIVITIES & LEADERSHIP

Information Systems Club, Iona University

September 2026 – Present

Vice President

- Co-lead the relaunch and restructuring of the club alongside the President, rebuilding membership following significant leadership and membership turnover. Drive membership recruitment, club branding, and campus visibility initiatives to re-establish the organization as a hub for students interested in information systems, business analytics, technology, and AI.

Student Government Association (SGA), Iona University

April 2026 – Present

Vice President of Finance

- Manage approximately \$60,000 in annual student organization funding, reviewing requests and allocating resources across eligible clubs and campus initiatives. Evaluate event budgets, expense breakdowns, and funding proposals to determine allocation based on eligibility and available resources. Collaborate with student leadership and university personnel to maintain accurate financial records and promote transparent, equitable fund distribution.

Iona Admissions

April 2026 – Present

Campus Tour Guide

- Represent Iona University to prospective students and families by presenting academic programs, campus resources, and student-life opportunities during admissions tours and events. Tailor presentations and responses to individual interests and audiences to improve prospective student engagement.

Pi Kappa Phi Fraternity, Iota Omicron Chapter

November 2025 – Present

Brotherhood Chairman

- Plan and lead brotherhood events for 50+ members to strengthen engagement and chapter culture. Collaborate with the executive board to coordinate internal programming and member participation.
